

Retail Cannabis and ACT 164

Helpful Information Before You Vote

The state of Vermont is now referring to what we have known as *Marijuana* as Cannabis.

Winooski votes on or before **Tuesday, March 2, 2021** for or against Cannabis retail in Winooski.

Towns & cities **cannot** levy taxes or license fees on Cannabis sales.

Municipalities do not have control over the growing and production of Cannabis, which will be regulated by the state board.

The state Cannabis Control Board will issue its final rules in March 2022.

Cities & towns can make rules about where Cannabis shops can be located (such as away from schools). No city/town has rules in place now. Any licences permitted before rules are in place won't be subject to those rules.

For more information, check out the CDC and the Community Guide for ways to prevent underage (<21) use of Cannabis.

Retail Cannabis and ACT 164

Learning from mistakes w/Alcohol and Tobacco

**Reducing
Access and
Promotion**

**Out of sight,
Out of mind, &
Out of reach**

Voting "no" this year won't prevent Winooski residents from voting at another date. Winooski votes at the Senior Center, 123 Barlow Street, or early at City Hall.

**Reduce promotion.
Research shows
that advertising
leads to youth use.**

**Keeping production,
wholesale, and retail
separate protects the
consumer from
monopoly and more
unsafe products.**

**Educate about
impaired driving.
Youth are more
likely to get in a car
w/ a driver who's
used Cannabis than
alcohol.**

**Keeping retail away
from underage
residents helps
reduce their
likelihood of using.**
